Pike Place Market Foundation Giving Tree

The Market Foundation was established in 1982 to support the Market's services for low-income people, including its Clinic, Senior Center, Food Bank and Child Care & Preschool. Each year the Market Foundation sponsors a Holiday Giving Tree decorated with gift wishes from students at the Pike Market Childcare & Preschool, members of the Pike Market Senior Center and clients of the Pike Market Medical Clinic and Downtown Food Bank. Market shoppers and members of the community are asked to select a wish tag or two, shop for the item(s) and return the wrapped gift(s) to one of the drop-off locations in the Market. While many gifts are donated each year, there are many tags that go unselected.

If you are interested in participating in this project please email Dana Diederich at diederich@seattleu.edu. All wrapped gifts should be returned to the Market Foundation by December 21st.
