

Appendix E College Codes—Four-Year

Do not use these codes as test center codes. The code numbers for test centers established at colleges are different from the code numbers in this list. (See Appendixes C and D.)

If a four-year institution (or the campus or branch of a larger college or university system) you attended is not listed here, enter the code 2000 for the first uncoded four-year institution you list. If you have more than one, enter the code 3000 for the second, 4000 for the third, and 5000 for the fourth.
