Curriculum Notes

- All KINE courses must be graded a C- (1.7) or better
- BIOL-2200 and BIOL-2210 Anatomy and Physiology i and ii (if both were taken and C- or above was earned) can substitute KINE-1100&1101 and KINE-1200&1201 via petition. Same goes for Nursing Anatomy and Physiology (BIOL 1200 and 1210).
- If you're considering graduate school in a health profession, instead of UCOR-1200, it might be best for you to take Math-1021. Consult with an advisor.
- Pay attention to these sequences: Kine-1100&1101 must be taken before KINE-1200&1201 and before KINE-2200&2201. KINE-1300 must be taken before KINE-2100 and before KINE-3300. KINE-2300&2301 must be taken before KINE-3200&3201. There are some more sequences but these are the most important to keep in mind.
