## **REQUEST FOR RESCHEDULING CONFLICTING EXAM(S)**

Academic Standards Code Rule 7.6 (see Student Handbook) provides that students may request a reschedule of an exam if it meets one of the following conditions:

1. Two exams in one day.
2. An evening exam followed by a morning exam.
3. Three exams in three days.

**The conflicting exam must be taken during the next available exam period in which no conflict exists. Exams may not be rescheduled for earlier than the regularly scheduled exam.**

## **ALTERNATE EXAM DATE**

Some professors are willing to offer a second exam period in addition to the regularly scheduled exam. A class must have an enrollment of 25 students or more and at least 7 students must sign up to take the alternate exam for it to occur. Alternate exam dates are open to all students in a class. To request an alternate exam date:

1. Contact Blake Stemen, Assistant Registrar, at [bstemen@seattleu.edu](mailto:bstemen@seattleu.edu) or in Office 209C regarding available dates and times and for more information.
2. Ask and receive approval from the professor. Alternate exams are at the professor's discretion.

## **COMPELLING CIRCUMSTANCES TO RESCHEDULE AN EXAM(S)**

If you have compelling individual circumstances that you feel may justify the moving of a non-consecutive exam in your schedule, please write them on the "Notes" section and attach any documentation you might have to substantiate your circumstances. You can use additional pages if needed.
